

TRY IT

IT'S ALWAYS HIGH NOON SOMEWHERE IN THE WORLD!

Slip into your cowboy boots for our rough Western-themed showdown filled with merciless outlaws, deadly duels and legendary robberies. Wanted Dead or a Wild is an action packed, 5-reel, 5-row slot featuring a pistol-popping max win worth 12,500x the bet!

FEATURES

DuelReels™

Wanted Dead or a Wild is the first game to proudly feature our famous DuelReels™ mechanic. DuelReels™ are triggered by landing VS symbols, which expand into wild reels if they form part of a winning combo after expanding.

Naturally, Wanted Dead or a Wild's DuelReels™ feature two hardened outlaws battling it out in a stand-off duel. The winner takes it all, which in this case, means YOU - regardless who wins, the victor's multiplier is applied to the whole reel, boosting all wins that pass through it. If more than one wild reel shares the same winning combination, their multiplier values are totaled up and multiplied by the payable wins.

The Great Train Robbery Bonus Game

What's a good Western without a train heist? Completely derailed! Not so in Wanted Dead or a Wild, where you're invited to climb onboard for this epic bonus game. All Wild symbols that land are sticky and can be part of any number of winning combinations again and again. Fill the screen with sticky Wild symbols and ride home with a grand booty!

Duel at Dawn Bonus Game

Nothing says "Howdy" like a classic stand-off in the middle of a dusty main street, with saloon doors creaking in the wind and nervous onlookers peeking around corners... and what better time for it than dawn? In this feature you have a much higher chance of landing multiple VS symbols at once, potentially filling the screen with dueling outlaws on up to five expanded DuelReels™! Any single Duel at Dawn spin could trigger the motherload - your best shot at a max win!

Dead Man's Hand Bonus Game

After all is said and done, the dead must be laid to rest - but that doesn't mean the job's finished. This special feature forms a two-phase bonus game. In the first phase, the aim is to collect as many Wild symbols and multipliers as possible in preparation for the second Showdown phase. During Showdown, all collected Wild symbols are added to random positions on every spin, before the accumulated multiplier is applied to all wins.

Bonus Buy

Activate the popular bonus buy feature to skip the wait at the saloon and head straight for one of the spectacular bonus games!
